11(b)	Personality development labs, Provisions for trained faculty to conduct practical sessions and existence of Qualified student counselors
-------	---

Personality development lab

The Personality Development Lab at St. Lawrence College of Higher Education serves as a

dedicated space to enhance students' interpersonal, emotional, and professional competencies. The lab provides an experiential learning environment where students engage in various activities designed to foster self-awareness, confidence, communication skills, emotional intelligence, and leadership qualities.

The lab is well-equipped with audio-visual aids, assessment tools, and materials that facilitate practical sessions such as role plays, mock interviews, group discussions, and self-assessment exercises. These sessions are conducted under the supervision of trained faculty member who specialize in psychology, soft skills training, and educational guidance. The faculty member(s) design structured modules aimed at developing personality attributes essential for future educators and professionals, including empathy, resilience, adaptability, and ethical sensitivity.

Availability of trained faculty to conduct practical sessions

The college ensures the **availability of trained faculty** to conduct these practical sessions effectively. **Ms. Mira Narang**, a trained faculty member with expertise in personality development and soft skills training, leads the sessions in the lab. Her interactive approach, psychological insight, and professional experience help students engage meaningfully in each activity, thereby achieving the intended learning outcomes.

Existence of NSS/ Technical and Cultural Clubs/Societies

At St. Lawrence College of Higher Education, holistic development of students are emphasized through active participation in various **co-curricular and extracurricular clubs and societies**, including the **National Service Scheme (NSS)**, **Technical Clubs**, and **Cultural Societies**. These platforms provide students with opportunities to extend their learning beyond the classroom, fostering qualities of leadership, teamwork, social responsibility, and creativity. The **National Service Scheme (NSS)** unit of the college plays a vital role in instilling the spirit of community service and civic engagement among students. Under the guidance of the NSS Programme Officer, regular activities such as cleanliness drives, tree plantation, awareness rallies, and social outreach programs are organized. Through these initiatives, students develop empathy, discipline, and a sense of commitment towards nation-building and sustainable development.

Students of SLCHE actively participated in a **slum visit program** aimed at promoting community engagement, social awareness, and empathy through direct interaction and outreach activities.

Students of St. Lawrence College of Higher Education enthusiastically took part in a **plantation drive** to promote environmental awareness and contribute to a greener, more sustainable campus and community.

The dental camp and smile assessment session organized by Clove Dental Clinic and the NSS unit of GGSIPU at St. Lawrence College of Higher Education served as a commendable initiative in promoting oral health awareness and preventive dental care.

Students actively participated in an **Earth Day Poster Making Competition** to express their creativity and raise awareness about environmental conservation and sustainable living.
